- Look at the following extract about managers and mentors.
- For Questions 1-5 mark ONE letter A, B or C on your answer sheet.

INFORMATION FOR NEW RECRUITS – PROBATIONARY PERIOD
Like most companies, we require our new recruits to first complete a probationary period before we offer a(n) (1) postion. While it might seem stressful, this initial period allows the company and the new recruit to identify (2) his or her skills and personality really meet the expectations of the job and how well he or she adapts to the company culture.
The probation period lasts for three months. During this time supervisors support, monitor and assess new recuits, paying attention a range of factors (3) to work performance. In this way, we are to help identify any significant strengths and weaknesses in your work performance and then take any necessary remedial action. We can assess how well you are (4) into your new role and adapt training to ensure that you are learning your job tasks correctly We do everything we can to give you the best chance of (5) success with our company.

1	Α	constant	В	permanent	С	established	D	frequent
