BULATS Corporate Use

BULATS is developed and delivered by Cambridge ESOL in collaboration with leading experts in the assessment of French, German and Spanish:

- Alliance Française (French)
- Goethe-Institut (German)
- Universidad de Salamanca (Spanish)

For more information about BULATS contact your nearest distributor or agent as listed on the website **www.BULATS.org**

Cambridge ESOL Business Language Testing Service

Business Language Testing Service (BULATS) is a multilingual tool for companies and organisations that need a rapid, reliable and cost effective way of assessing the language skills of employees, trainees and job applicants.

BULATS tests communication skills that are needed in real business situations. Like other Cambridge English for Speakers of Other Languages (ESOL) examinations, BULATS covers the four main language skills – Reading, Writing, Listening and Speaking – in four languages. BULATS is available in English, French, German and Spanish.

For more information go to **www.BULATS.org**

About Cambridge ESOL

Cambridge ESOL offers the world's leading range of certificates for learners and teachers of English – taken by over 3 million people in over 130 countries. Around the world over 11,000 universities, employers and government ministries rely on Cambridge ESOL certificates as proof of English language ability.

Cambridge ESOL is a not-for-profit department of the University of Cambridge. It is part of the Cambridge Assessment group, Europe's largest assessment agency.

Speak to your nearest Cambridge ESOL testing centre

You can take Cambridge ESOL exams at authorised centres all over the world. There are over 2,500 centres in 130 countries.

Centre staff members have all the latest information about our exams and the support available. Find your nearest centre at:

www.CambridgeESOL.org/centres

For the most up-to-date information about recognising corporations and educational institutions visit **www.CambridgeESOL.org/recognition/search.php** to search our online recognition database.
